Progress Updates

Task	Problem/Issue/Progress	Solution/Action	Taken by & deadline
Team Formation	The add-drop period has not ended so group members are not finalised.	Once the add-drop period ends, finalise the team and set up the Telegram group chat, GitLab repository, Trello board and Google Drive folder.	Taken by: Faye and Mohika Deadline: Two days after add-drop period (20th August)
Project Proposal Planning	The team discussed the sector and direction of the project. The team agreed to improve an existing project previously developed by Sparsh.	Sparsh will share a demo video showing the project's current features. All members will review the existing project and consider additional features, particularly possible data analytics features.	Taken by: Sparsh - demo video; All members - review and think of feature ideas Deadline: before the next meeting

		Further planning will continue during the next meeting.	
The next meeting will be held			29th August 2026, 6:00pm on Zoom
This minutes have been agreed by all attendees			Mohika Kataruka 20/08/2026
